16 March 2021

Dear Householder

The MCC Pop Up Trial 3rd April 2021
DOT Event no: 28456AP3
ACU Permit: applied for
Motor Sport UK permit: 120860

I write to advise you that, subject to the release of outdoor sport from lockdown, the Motor Cycling Club Ltd will be holding 'Experimental Pop-Up Trial on 3rd April 2021 and that our route will be passing on public roads through Sutcombe from 2pm to 4.30 pm.

The event is a Classic Trial, starting north of Tiverton at 8am and finishing near Launceston at 5pm. The event is not a speed event but a test of skills in keeping to time, navigating a given route and completing a series of tests. All vehicles participating in the trial are road legal and are required to be effectively silenced.

The event is run under permits from Motor Sport UK and the Auto Cycle Union. It is therefore a permitted event under the COVID19 regulations introduced by Government, which allow outdoor sport to recommence on 29th March.

Please do not hesitate to contact me if you require any further information.

With kindest regards
Yours sincerely

Dave Middleditch
